Hey Monday will never be at a loss for words when asked, "What have you done lately?" In the two years since their debut album Hold on Tight was released, the West Palm Beach, Florida natives have sold nearly 500,000 songs, toured U.S. six times and have graced the cover of several magazines in the States and overseas. The band's music has been featured on MTV's 'The Hills' and 'The Read World: Brooklyn,' and has garnered a worldwide fan base with its distinctive pop-rock sound. Now, after spending time in New York and Los Angeles, Hey Monday has a new collection of songs to present to their captive audience, which not only encompass their personal triumphs and hardships, but also incorporate every lesson they've learned from being on the road.
