“As a middle school counselor, it is common to hear other counselors complain about how ‘cheesy’ and unrealistic guidance videos can be. ***I must commend you*** for your ***realistic & up-to-date*** approach to drug abuse prevention. ***My students*** (6th, 7th, and 8th graders) ***LOVE to watch your videos*** and are eager to discuss them. Students are always ***proud to talk about their natural highs***. Also, they are deeply moved by Jon Sundt’s message at the videos’ closing. Thank you and my continued support for your organization’s efforts!!”
