Suggested Steps

1. Choose the design you would like to make. Decide if you want students to all wear red.
2. Find a large enough area to fit your group and a spot high enough to take an aerial shot.
3. Outline the proposed image in the area where you're taking the picture.
4. Work with other members of your team to find a good date and time for the photo.
5. Gather students and take photos.
6. Share your creative photo design with us on social media using @LiveNaturallyHigh!
7. Consider capturing other fun photos while you're at it (students in the shape of "NH" or the school Mascot, for example).
