DAY 2 STORYTELLER: PAUL JIMENEZ, ARTIST

PUZZLE PIECE: PEOPLE

Every choice you make shapes your future, including who you spend time with.

The people around you matter. They can lift you up or lead you in the wrong direction. Positive influences are important. When you choose friends and role models who reflect your values, you are building a clearer picture of the person you want to become.

DISCUSSION QUESTIONS

1. Who do you look up to and why?
2. Paul admitted he used to get high to fit in, but it didn't feel right. Have you ever felt that same pressure to go along with friends, even when you didn't want to?
3. How can YOU be a positive role model?
